

## BIPOC & Immigrant Business Revolving Grant Application

The purpose of Project Better Together's Black, Indigenous, and People of Color (BIPOC) and Immigrant Owned Revolving Business Grant is to provide short-term funding in the form of a grant to BIPOC and immigrant-owned private businesses in Johnson County, Iowa, who were negatively impacted by the COVID-19 pandemic and need help with both short-term needs and long-term recovery efforts to continue their business. This fund is focused on businesses that may be dealing with additional barriers including but not limited to language, general business knowledge, etc. and from under served communities. The grant may be funded up to \$2,000 and the program will run until the funds are exhausted. This program is made possible by sponsors of Project Better Together, and Johnson County.
